

Black Panther Open Discussion

Hosted By The Graduate Center's Women of Color Network & Africana Studies Group

When: March 14th, 4:30-6PM

Where: Room 5409

Description: Join the Graduate Center's Women of Color Network (WoCN) and the Africana Studies Group (ASG) for a discussion on the recently pictured film *Black Panther*. We will discuss and debate reactions to the film and the lasting implications of this work.

People of all races and genders are welcome to attend this gathering and contribute to this discussion, however, we will unapologetically center a Black feminist perspective. Refreshments will be provided!
